THIS ASSIGNMENT AND ASSUMPTION AGREEMENT (this "**Agreement**"), dated as of September 10, 2004 (the "**Effective Date**"), between Cypress Tankcar Leasing I, LLC, a California limited liability company ("**Assignor**"), and GATX Financial Corporation, a Delaware corporation ("**Assignee**").

## RECITALS

1. Pursuant to a Purchase Agreement ("**Purchase Agreement**"), dated September \_\_, 2004, the parties hereto desire to effect (a) the transfer by Assignor to Assignee all of Assignor's right, title and interest in, to and under the Operative Agreements described in Schedule 1 hereto, together with the proceeds therefrom, and (b) the assumption by Assignee of the obligations of Assignor arising from and after the date hereof contained in the Operative Agreements.

## AGREEMENT

NOW, THEREFORE, the parties agree as follows:

1. *Definitions.* For purposes of this Agreement, capitalized terms used herein but not otherwise defined herein shall have the meanings given to such term in the Purchase Agreement.

2. *Assignment.* For good and valuable consideration, receipt of which is hereby acknowledged, Assignor does hereby irrevocably assign, transfer, sell and convey unto Assignee all of its right, title and interest in, to and under the Operative Agreements, together with the proceeds therefrom (the "**Assigned Documents**"), free and clear of all liens created by Assignor, provided, that Assignor hereby reserves and does not transfer its right, title and interest in any indemnities or liability insurance proceeds under or contemplated by the Assigned Documents in favor of the Assignor to the extent such indemnities or liability insurance proceeds were paid, accrued in favor of, relate to events occurring, or became payable to Assignor, prior to the date hereof.

3. *Assumption.* Assignee hereby assumes and agrees to be bound by all of the terms of, and agrees to undertake, all of the obligations, liabilities and duties of Assignor hereafter accruing or arising under the Assigned Documents. Assignee confirms that as of the Effective Date, it shall be deemed a party to the Assigned Documents, provided, however, that Assignee does not assume and Assignor shall remain obligated with respect to, and shall pay or perform when due, all obligations of Assignor under the Assigned Documents arising prior to the Effective Date hereof.

4. *Further Assurances.* Assignee and Assignor hereby covenant and agree to execute and to deliver from time to time such other documents and instruments and to take such further action as may be reasonably requested in order to obtain the full benefits of this Agreement and of the rights and powers herein granted.

5. *Representations and Warranties of Assignor.*

5.1 *Organization; Authority.* Assignor is a limited liability company duly organized, validly existing and in good standing under the laws of the State of California and has full power and authority to execute, deliver and perform this Agreement and to perform its obligations under the Assigned Documents.

5.2 *Due Authorization, Execution and Delivery; Enforceability.* The execution, delivery and performance of this Agreement and the performance by Assignor of its obligations under the Assigned Documents have been duly authorized by all necessary action on the part of Assignor; this Agreement has been duly executed and delivered by Assignor and constitutes, and upon consummation of the transactions contemplated hereby, each of the Assigned Documents will constitute, the legal, valid and binding obligation of Assignor enforceable against Assignor in accordance with its terms except as such enforcement may be limited by the effects of applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and equitable principles of general applicability.

5.3 *No Violation.* The assumption and performance by Assignor of each Assigned Document is not in violation of its Articles of Organization or of any indenture, mortgage, contract or other agreement to which Assignor is a party or by which it is bound or of any order or judgment applicable to Assignor or any law, government rule or regulation of the United States or any state thereof applicable to its business generally and does not require the consent or approval of, or the giving of notice to, the registration with or the taking of any other action in respect of any governmental authority.

5.4 *No Litigation.* There is no litigation or proceeding pending or, to Assignor's knowledge, threatened against Assignor which would prohibit or materially frustrate the consummation by Assignor of the transactions contemplated by the Assigned Documents.

6. *Representations and Warranties of Assignee.* Assignee hereby represents and warrants as of the date of this Agreement that:

6.1 *Incorporation; Authority.* Assignee is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware and has full corporate power and authority to execute, deliver and perform this Agreement.

6.2 *Due Authorization, Execution and Delivery; Enforceability.* The execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action on the part of Assignee ; this Agreement has been duly executed and delivered by Assignee and constitutes the legal, valid and binding obligation of Assignee enforceable against Assignee in accordance with its terms except as such enforcement may be limited by the effects of applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and equitable principles of general applicability.

6.3 *No Violation.* The assumption and performance by Assignee of each Assigned Document is not in violation of its Articles of Incorporation or bylaws or of any indenture, mortgage, contract or other agreement to which Assignee is a party or by which it is bound or of any order or judgment applicable to Assignee or any law, government rule or regulation of the United States or any state thereof applicable to its business generally and does not require the consent or approval of, or the giving of notice to, the registration with or the taking of any other action in respect of any governmental authority.

6.4 *No Litigation.* There is no litigation or proceeding pending or, to Assignee's knowledge, threatened against Assignee which would prohibit or materially frustrate the consummation by Assignee of the transactions contemplated by the Assigned Documents.

7. *Governing Law.* The terms of this Agreement and all rights and obligations hereunder shall be governed by the law of the State of Illinois applicable to contracts executed and delivered, and to be fully performed in the State of Illinois, with regard to its principles of conflicts of law which would cause the laws of another jurisdiction to apply.

8. *Counterparts.* This Agreement may be executed by the parties hereto in separate counterparts (or upon separate signature pages bound together into one or more counterparts), each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.
